MANAGEMENT POLICY

The Management Policy Techmet has been developed to support the company to consistently provide solder alloys and solder consumables that meet our customer requirements and to comply with the relevant Quality, Environmental and Safety & Occupational Health standards.

We, the MD and staff of Techmet (PTY) Ltd., have implemented a management policy to comply with ISO 9001:2008, ISO 14001:2004 and OHSAS18001:2007. We will ensure that this policy is understood, implemented and maintained throughout the company and that we comply with the relevant legal and other requirements. This policy provides the basis upon which the management system is built, including a framework for establishing and reviewing of objectives.

We are committed to continual improvement, prevention of pollution, incidents and accidents. In fulfilment of this policy we will ensure that quality products and services are supplied in full compliance with the requirements of our customers. We shall endeavour to understand customer needs and ensure customer satisfaction.

The policy and objectives of the company will be reviewed on an annual basis to ensure its continuing suitability.

This policy is available to the public on our website as well as upon request.
